

Coffee Mornings: Sefton Council and Together Trust

The Together Trust with Sefton Council are hosting a series of drop-in sessions to support local parents and carers of children with social communication difficulties, including autism.

Members of Sefton Inclusion Service and the Together Trust teams, including speech and language therapist, occupational therapist, advisory teacher and behaviour specialist, will be available to offer guidance based on their experience of working with children and young people with social communication difficulties and autism.

You will also have the opportunity to chat and share experiences with other families.
