HUDSON WEEKLY SCHOOL UPDATE - Headteacher; Niki Craddock

SATs week for our Year 6 is now complete, they alongside their teachers and volunteers, have worked incredibly hard and we are so very proud of them. They tackled the tests with confidence and we believe that every child should feel good about their achievements - I am sure they will be very pleased with the outcomes in July. They have been truly spoilt all week with treats, games and fun, furthermore today has been another amazing day filled with a whole school Royal celebration - what a beautiful way to end the week!

Next week the rest of the school will join the pattern of assessment - we will have the formal SAT experience for the Year 2 and the other classes in the rest of school will complete sample testing to collate all of the evidence for each child's end of year performance. Again we will make this process as easy and comfortable as possible in order to accurately capture the children at their best and most confident. We will also finish off next week with a big whole school reward - I'm going to keep this one a surprise though ☺

The weather has been truly wonderful this week and let's hope it's here to stay and not just a small glimpse of summer - as usual please make sure your child is well prepared for this with drinks, hats, sun cream etc as we approach the last week of this first summer term.

This week our footballers played two matches to end the season in their MADCOS league, unfortunately it was not good news with a defeat by Lydiat Primary and also the league champions Holy Rosary. However on the positive the boys were spectacular as always in the way they represented the school, always keen to work together well and with encouragement - true sportsmanship. Well done Team Hudson - the best football season we have had in my History at Hudson ☺

Next week there is quite a bit going on - keep reading below to stay in touch...

Our final reward is our **Kindness Cup**, and this week's ambassador of kindness is **Miss Leppert in Sycamore class**. For being a wonderful, kind and considerate member of our team to all of the staff, families and children - we love you very much and hope you've had a wonderful 50th birthday today!

Attendance Masters: Our best classes for attendance this week are Yew and Chestnut.

Professors of punctuality: Elder, Chestnut, Yew and Larch classes have had no late marks this week.

Attendance and Punctuality are high agenda targets of importance for Hudson, we love to celebrate and praise those children who get 100% attendance each half term. Please help your child achieve this and encourage them to get to school on time each day to get the most out of all that is on offer.

SAFETY NOTICES

Please be aware that the parking outside of school is limited, but we need to be considerate of the neighbours and not park over driveways or on grass verges.

This can be extremely hazardous and you could be fined, it is also causing the residents great stress!

We are a community school that thrives on building respectful relationships with our community.

In the Maghull Community pages of social media the school is being badly advertised for careless community parking, please help to eradicate this.

HUDSON NURSERY NEWS - Kelly Herron

This week our governors paid a visit to our Nursery as part of one of their review meetings. They were truly impressed with the developments that have taken place and the great lengths the team have gone to maintain an Outstanding offer for our children and families. This term governors approved over £15,000 of renovations and resource investment, the outdoors is looking as magical as the indoors now. The Governors can now clearly see why the Nursery is as busy as it is!

This coming September, 27 of our 36 3 and 4 year olds will be moving on to our Hudson school Reception class, unfortunately some were unsuccessful in gaining a place in our school due to the high demand and the way in which places are allocated - this has been really upsetting for us and our families.

We are currently full in our Nursery for the rest of the academic year, in September we do have some vacancies, however we are going to have to limit these to the families who will be looking to stay on at Hudson throughout their child's school years. The reason for this is that we have been very flexible in offering everything to the entirety of the Maghull community, some of which then move on to other local primaries, we then are having a very restricted or no offer available to our own Hudson families. We feel we are doing a disservice to our families who we end up turning away when we quickly become full.

If you know you have not yet registered for a nursery place or know of someone who intends to do this - could you please encourage them to come and speak to Kelly at the office and secure a place - this may not be a place you necessarily need to take up for a while, but at least we will then be aware of future allocations for our own families.

If you would like a tour of our nursery and to meet our team - please again pop in or call up the office and arrangements can be made.

*Have a lovely sunny weekend, enjoy the Royal wedding - I am sure it won't be as good as ours!
Best wishes Niki Craddock and Team.*
