HUDSON WEEKLY SCHOOL UPDATE - Headteacher; Niki Craddock

This week was absolutely jam packed with all kinds of fun, possibly made difficult by the scorching heat. But many thanks to everyone for all of your contributions and support in making this a week to remember in true Hudson style. We started off the week on a high from last Friday's Bake off, the victorious class was Sycamore class, our fabulous Year 1 team. A delightful mocktail was produced with all of my favourite flavours, beautifully presented and thought out. It was a tough decision, but they came off top in the end - Well done Team Sycamore!

Sport and health week then arrived on Monday, with so much activity going on at school, learning about health and relationships in the morning followed by sports in the afternoon. The week has brought together classes in many ways to celebrate being fit and active. We have interclass competition, fitness, yoga and lots of new sports and favourite sports being organised. The sports day on Tuesday was a great time to enjoy competition and showcase talent. Thank you to all of the families who attend and understood our need to keep the children safe and therefore split the sessions.

Also on Tuesday we had our annual Summer Fair, again the sun was shining brightly and this did put some families off, however there were so many happy faces and fun going on - I know the PTFA were really pleased with the turnout and the success of the day - Thank you star volunteers, you are amazing. All 277 children will benefit massively from your dedication and care, thank you!

Also on Tuesday Mrs McNally, Sophie H, Thomas G and I went to the Echo Awards Ceremony as we were in the final for Best Primary school of the Year. Unfortunately, we were not the overall winners of the day, but top 3 will do me... for now! Keep a look out in the Echo for our pictures, it was a wonderful event and I was beaming with pride.

This term our thoughtful Year 6 have been involved in a Smile challenge - a chance to turn £10 into something worthwhile bringing happiness to others. Next week they will present their challenge to the other primary and secondary's in Sefton - more information to follow on this wonderful event.

Not to just sit back and relax, we are finishing off this week with two amazing events. The first of these is Race for life, this has become an annual charity event for Hudson, so close to many of our lives and the last one is our annual summer performance, which this year is Sleeping Beauty. I hope you all come and support our children, we are turning out such amazing citizens of the future ☺

Next week has plenty going on so look below and keep up to date on all events!

Attendance and Punctuality are high agenda targets of importance for Hudson, we love to celebrate and praise those children who get 100% attendance each half term. Please help your child achieve this and encourage them to get to school on time each day to get the most out of all that is on offer.

SAFETY NOTICES

Please be aware that the parking outside of school is limited, but we need to be considerate of the neighbours and not park over driveways or on grass verges.

This can be extremely hazardous and you could be fined, it is also causing the residents great stress!

We are a community school that thrives on building respectful relationships with our community.

In the Maghull Community pages of social media the school is being badly advertised for careless community parking, please help to eradicate this.

PTFA NEWS - Vicki Garside PTFA News (registered charity no: 1156873):
