Weekly Newsletter for Families

Friday 29th March 2019

HUDSON SCHOOL NEWS - Headteacher; Niki Craddock

Spring has finally sprung and we are feeling the benefit of this - the children are highly alert and excited about being outdoors and adventurous - I am sure you will all make use of this as we finish for the end of the term next Friday!

When we return after our long break away I am hoping the sun will be shining and the children can put on their summer uniform - red and white gingham summer dresses and tailored shorts. It is the season that we ask for fresh water daily along with sun protection; sunglasses, labelled creams and sunhats.

This week we have had lots of fun on bikes, visiting the church, celebrating the ladies in our lives and getting ready for summer performances. However we also need to say a great big thankyou to our KFC family who completed their final session for the term, however I am sure it will be back on in the summer! Clubs stop for the rest of the school when we finish next Friday, please have a good check in your child's bag for the new clubs there is a new range including Hockey, ICT and Athletics ☺

Our PTFA met this week and we were able to get lots of things arranged for next week and of course the summer main events. Please have a read of our PTFA section at the end of the newsletter as sometimes parents don't feel able to attend the meeting but would still like a say in what goes on.

Next week we have combined World ASD awareness day with the non-uniform day on Friday as we felt that there was so much going on and we appreciate the pressure this can put on parents. So in summary - Easter bonnets **Wednesday** (If you want to take part in the parade in church), Non-uniform and Easter egg bingo on **Friday** combined with ASD awareness activities.

Attendance Masters this week are: Chestnut with 98.7%.

Professors of punctuality this week are: Maple, Hazel & Yew classes.

SAFETY NOTICES

Please be aware that the parking outside of school is limited, but we need to be considerate of the neighbours and not park over driveways or on grass verges.

This can be extremely hazardous and you could be fined, it is also causing the residents great stress!

We are a community school that thrives on building respectful relationships with our community.

In the Maghull Community pages of social media the school is being badly advertised for careless community parking, please help to eradicate this.

PTFA NEWS - Secretary Vicki Garside (registered charity no: 1156873):

We had a productive meeting this week and the Summer Fair is pretty much on track with our planning. As usual this will take place following the scheduled Sports Day, which this year is on Tuesday 25 June so mark the date in your diaries. We came up with all our usual ideas, however if you have an idea for a stall/ game that will raise money for the children and would like to either run that activity or want to explain it to a member of the team so that we can try it, don't be afraid, let us know. Next week is Easter bonnets and we will be providing prizes for the best bonnets, but don't worry, if your child is not one of our lucky winners, there will be a treat for everyone.

Have a wonderful weekend, Niki Craddock and Team
