## Weekly Newsletter for Families

Friday 5<sup>th</sup> July 2019

### HUDSON SCHOOL NEWS - Headteacher; Niki Craddock

This week has been superb, the sun has been shining, a little bit of normality in the week came back to the learning timetable and we have had some incredible things going on.

Firstly this week we had a visit out for Yew and Larch class to the Blue Planet Aquarium - the children absolutely loved it, it was a perfect choice for our children and I know they have come back brimming with interests and enthusiasm - well done Team! Our next experiences were sporting ones as on Tuesday evening our Football team did us proud in their Jubilee Cup final - unfortunately we came away with a 2-0 defeat to Summerhill, however I was truly impressed by the performance of the boys, not forgetting that the team is formed with only three Year 6 players, the rest from Years 5, 4 and even Year 3! I know they were disappointed, they wore their new kit with pride it just wasn't our day ☹️

On Wednesday evening Mr Roberts and I had the pleasure of attending the annual MADCOS sports awards at Maricourt High School and had the immense joy of seeing Holly L and Max T in Year 6 be awarded their sports personality of the year trophies. A great evening of sports achievement, many thanks to the families for their support and attendance at the event.

Playground developments also got under way this week - with a new climbing frame to Tiger Hill and a Multi-Use Games Area (MUGA) being added to the main playground, followed by outdoor canopied area to Maple class. This is just the start for Hudson in the coming weeks, all systems go!

This week we have also been getting prepared for our transition week next week. This is an opportunity for all of the children at Hudson to get ready for September and have a try-out of the environment. Our aim is to settle any potential worries before the summer break starts; look out for those nervous new parents from nursery, or who are completely new to the school who will be trying out all that Maple class has on offer. The details about class teachers can be found at the bottom of the newsletter - your child has already been informed today about this and had a practice of lining up in their new space!

Next week also brings about our graduation ceremonies for Nursery and our Hudson University Club. It is another action packed week, please don't miss out!

Our final reward is our **Kindness Cup**, and this week our ambassador of kindness is: **Millie D in Oak class for showing the community that a Hudson Heart is a big one and stretchers further than our school. She has made us incredibly proud with her kindness to a member of the community.** Hudson is so incredibly proud of you!

Attendance and Punctuality are high agenda targets of importance for Hudson, we love to celebrate and praise those children who get 100% attendance each half term. Please help your child achieve this and encourage them to get to school on time each day to get the most out of all that is on offer.

## SAFETY NOTICES

Please be aware that the parking outside of school is limited, but we need to be considerate of the neighbours and not park over driveways or on grass verges.

This can be extremely hazardous and you could be fined, it is also causing the residents great stress!

*We are a community school that thrives on building respectful relationships with our community.*

In the Maghull Community pages of social media the school is being badly advertised for careless community parking, please help to eradicate this.
