HUDSON SCHOOL NEWS - Headteacher; Niki Craddock

I must start this week with a great big thank you to everyone who came along to Hudson's Got Talent last Friday - what a superb evening we all had, there were so many children taking part this year and the support they gave each other was just inspiring. An amazing performing arts team got this sorted at a very busy time of year, and our PTFA really pulled it together too. I am incredibly fortunate to have people who really get things moving but also the support of families who come along and join in on all of our ideas and events! I can't forget to mention the children they kept us well entertained and beaming with pride, so a great big well done to everyone but congratulations to Year 4 stars of 2019 - Louis L, Shayne H and Ronnie W ☺

It has been wonderful this week to welcome all of the new children to Hudson, the playground has been full of activity and the atmosphere inside school has been charged with enthusiasm, a small amount of nerves (staff and children) and a whole load of creativity. The children have taken the art themed transition week of 'musical lyrics that inspire art' all in their stride and really embraced the learning as well as getting to know their new rooms, teachers and peers. Look out for the projects around school - they are beautiful!

Also this week we have brought together a few celebrations. Yesterday we celebrated the Nursery children's graduation into Main school life. They had a special celebration that families got to enjoy to share their learning journey throughout their time in nursery and also to welcome them to a new future at school. During the afternoon Hudson main school children celebrated their own achievements collecting rewards for their dedication to out of hours school experiences our Hudson University Club Graduation. The highest scoring children all received treats today with either a session with our entertainer or an inspirational trip to Edge Hill University.

Today your children will bring home their annual school report, please enjoy this as a family together. Take time to complete the comments page and also drop in and discuss further on Wednesday if needed.

SAFETY NOTICES

Please be aware that the parking outside of school is limited, but we need to be considerate of the neighbours and not park over driveways or on grass verges.

This can be extremely hazardous and you could be fined, it is also causing the residents great stress!

We are a community school that thrives on building respectful relationships with our community.

In the Maghull Community pages of social media the school is being badly advertised for careless community parking, please help to eradicate this.

Debts

As we approach the end of term may we remind parents that your ParentPay account needs to be completely cleared to show either a zero total owed or a credit as we end the school year. Final statements will be produced next week with any debt notifications issued before the end of the term, receiving these notifications can result in additional services being refused for the new term and potentially referral to Sefton recovery services. We appreciate how important these services are to families so urge you to make clearance of your account a priority.

General

Can we remind parents to ensure their children dismount scooters and bikes once you arrive at the school gates. We've had a couple of accidents over the last two weeks which have left the children upset before the school day starts and could have been prevented.

Family Centre

Our family centre is now a term time only service, closing on 23rd July with the rest of school. Should you or your family require support during the summer months, then your nearest family well-being centre is Netherton Family Well-being centre [0151 282 1405](tel:01512821405). You can also pick up a mini timetable of events across Sefton during the summer from the centre until we close.

Have a wonderful weekend, Niki Craddock and Team
