HUDSON SCHOOL NEWS - Headteacher; Niki Craddock

We have had amazing fun at Hudson this week, I hope the children have come home with a spring in their step and stories of all the wonderful things they have been taking part in or looking forward to what lies ahead! This week began with a superb visit from Zoo lab for Maple class, there was lots to get involved with handling all kinds of creepy crawlies and living things but Mrs Kelly said the information gained was the best yet and the children were totally enthralled.

On Wednesday all of our families were invited in for our family conference time, I hope you found this useful, we had a brilliant turn out, half of the year is now gone and we have big plans for enhancing learning for the rest of the school year with you families working in partnership with us. If you were one of the few who did not make it please contact your class teacher and do this next week.

Thursday was a real focus on our love for reading as we all got fully involved in World Book Day. Thank you so much for your support on this, stories and characters were really brought to life and it was truly great to hear the children asking about each other's characters and then wanting to read that book - just perfect! Please make good use of the vouchers the children have brought home - these can be exchanged for books in lots of places such as our local Asda.

Today Years 1 and 2 and Yew class all ventured out to the bright lights and bustle of our city today, an open top bus awaits them with lots of stop offs to look at the historic sights and culture of our locality.

Next week much more lies ahead with football matches, swimming galas, a Victorian day and an additional request from our Slow Down for Bobby Campaign to wear Blue on Friday - so this is a free non-uniform day, blue themed of course, however the emphasis is on walking to school and being speed and parking aware in our locality! **Many thanks to everyone who has made Hudson just perfect and superb this week ☺**

Be sure to ask your child to tell you all about the work they have displayed proudly in school and shared today.

Our Hudson Reading Challenge and EYFS Nursery Rhyme Certification really helps us to reward those children taking Literature seriously. This is a real challenge and we love to celebrate these achievements throughout the school year. Those who have met the challenge this week are:

Bronze: (3N) Phoebe S, Lola P. (Y4) Isabelle D.

Silver: (3N) Sophie S, Scarlett C, Alannah G. (Y1) Jorja F, Riley W. (Y5) Charlie C.

Gold: (Y5) Joel H, Louis L.

Our final reward is our **Kindness Cup**, and this week our ambassadors of kindness are Frankie J, Grace H and Oliver D in Larch Class - superb kindness to a younger child in distress, all children showed big hearts and lots of Hudson love and empathy. Great advice and support! Hudson is exceptionally proud of you!

Attendance and Punctuality are high agenda targets of importance for Hudson, we love to celebrate and praise those children who get 100% attendance each half term. Please help your child achieve this and encourage them to get to school on time each day to get the most out of all that is on offer.

SAFETY NOTICES

Please be aware that the parking outside of school is limited, but we need to be considerate of the neighbours and not park over driveways or on grass verges.

This can be extremely hazardous and you could be fined, it is also causing the residents great stress!

We are a community school that thrives on building respectful relationships with our community.

In the Maghull Community pages of social media the school is being badly advertised for careless community parking, please help to eradicate this.

Step 3: Enter the email and password. This is all they need to do and no new invitations need to be sent out. Parentapps Support

Lost property - there seems to be a several water bottles being left around school. These have been gathered and left on the main corridor window ledge to be reclaimed.

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

You should wash hands with soap & water or hand sanitiser

After breaks & sport activities

SCHOOL ETC.

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19).
