HUDSON SCHOOL NEWS - Headteacher: Niki Craddock

Its been a bit of a different week at Hudson, we have tried to keep everything ticking over as normal for our children and families and will continue to do so with as minimal disruption as possible. Please note that as soon as any information and direction comes from the Local Council we will use our methods of communication to get this to you. The biggest change for us next week is that we are cancelling our family performance assembly on Tuesday afternoon but will be recording the children and sending this out via their ClassDojo that day.

Last week ended with a Friday night Football match at Summerhill Primary - it was a very close game that ended goalless, I was so proud of the whole team. Fingers crossed for tonights game against Melling Primary.

Tuesday morning was time for our annual MADCOS swimming gala at Crosby Pool, the school worked incredibly hard as a young team with representatives from Year 4 through to Year 6. We managed two final heat places from Bobby Mc and Bella K in Year 4 - but no medal places this year sadly.

Our Performing Arts team met on wednesday to plan our Summer term Show. This year we are very excited to put together a musical of Peter Pan. Prior to Easter we will be auditioning the children and casting from this so that the children have time to learn their parts over the break and then we can hit the ground running with a bit less pressure! Rehearsal nights will be on a Monday evening with Wally Cain moving to a lunch time club - more information will follow.

Thursday brought about our Hazelnut classes Victorian Day - you may have been wondering what on earth was going on that morning on the playground! The children absolutley loved it and were totally emersed in a Victorian School Day with drill, and rote learning - is this the future of Hudson ☺

Please stay in touch with what is going on over the coming weeks, best wishes.

SAFETY NOTICES

Please be aware that the parking outside of school is limited, but we need to be considerate of the neighbours and not park over driveways or on grass verges.

This can be extremely hazardous and you could be fined, it is also causing the residents great stress!

We are a community school that thrives on building respectful relationships with our community.

In the Maghull Community pages of social media the school is being badly advertised for careless community parking, please help to eradicate this.

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

You should wash hands with soap & water or hand sanitiser

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice.
