HUDSON SCHOOL NEWS - Headteacher; Niki Craddock

Easter has officially arrived at Hudson and we have managed to cram in a multitude of Spring celebrations this week. The children have been far more settled even though we have ramped up the entertainment - so thank you for your support on managing this, it is much appreciated.

This week we have had a visit from the Easter Bunny (thank you Taccagni family) and treats from the PTFA (thank you Garside family). The children have been on Easter Egg hunts around the school grounds, following maps, solving word puzzles or beating time challenges. There has been lots of Easter craft, and we have ended today with an annual game of bingo (in bubbles). There have been plenty of smiles on faces, which is what it's all about, and hopefully the children are leaving today with a spring in their step and a reassurance that school will be returning back in two weeks without any disruptions like the last end of term break.

We have set a weeks' worth of home learning that can be spread across the two weeks break. We really want to keep the momentum going after a great couple of weeks returning to school and getting tuition running. Two weeks of break after this disruptive school year is quite significant at this point - so please do small bursts with your child daily. This will come home as a dojo message along with the books that have returned this week.

During the Easter break a tremendous amount of work will be going on outdoors and indoors we have a whole new roof being fitted a new classroom completed and a complete overhaul of our dining room and wrap around care areas of school. During the summer term some new playground additions will also be emerging!

When we return in April we have an inset training day for the teachers planned, so the **children will return on Tuesday 13th April**. The children can wear their summer uniform at this time. This includes grey shorts for the boys and a summer gingham lighter uniform for the girls (red and white). The school jumper and cardigan should still be worn during this time - no other cardigans or jumpers please. Please also don't be tempted by a summer sandal, a full shoe is necessary as sandals just aren't a safe shoe at playtime!

We have lots of events planned for the summer, so when we return and the road map set by the Government is reviewed I will notify you all of the events in store for the term. I hope you all get to relax over this break, and return refreshed, revitalised and positive for our final school term.

Oak Class (Miss Cavanagh & Team): Lily FF

Chestnut Class (Mrs Macpherson & Team): Mia A

Rowan Class (Mrs McNally & Miss McCann): Poppy K

Be sure to ask your child to tell you all about the work they have displayed or discussed proudly in school this week.

I have had some shining stars who have taken home a Headteacher Award sticker this week - some absolutely excellent work going on in class and at home from Matthew L, Hunter Mc and Theo W in Year 2 AND Ronan H in Year 1. I am incredibly proud of these boys, amazingly thoughtful well-presented work 😊

Our Hudson Reading Challenge and EYFS Nursery Rhyme Certification really helps us to reward those children taking Literature seriously. This is a real challenge and we love to celebrate these achievements throughout the school year. We will be rewarding this again so plan to get started after Easter.

Our final award is our **Kindness cup** - and this week it goes to two little boys in our Nursery who were spectacularly loving and supportive to a little one who was scared of the Easter bunny. They waited with her patiently and reassured her so much she eventually overcame her fears. Well done Henry T and James L, we are so very proud of you!

You are doing the best you can!

SAFETY NOTICES

Please be aware that the parking outside of school is limited, but we need to be considerate of the neighbours and not park over driveways or on grass verges.

This can be extremely hazardous and you could be fined, it is also causing the residents great stress!

We are a community school that thrives on building respectful relationships with our community.

In the Maghull Community pages of social media the school is being badly advertised for careless community parking, please help to eradicate this.

NEWS FROM THE SCHOOL OFFICE

Attendance - Please can I remind everyone how important it is to let the office know why your child is absent. Either ring and leave a message, use the app or lastly dojo. We need to know exactly why/how your child is unwell. The nature of the illness is vital, especially at this current time. Please make sure you have a read of the guidance sent out today via dojo re the different covid tests.

Own clothes day - Thank you for the £98 raised for comic relief.

Reminder Just a reminder that the school phone line is not available between 1.00-2.00pm daily. All answer machine messages are picked up at 2.00pm

*Have a lovely Easter break, take care and stay safe everyone!
