HUDSON SCHOOL NEWS - Headteacher; Niki Craddock

It's finally summer, and it is such a good feeling, there is something about the sun shining that brings out the best moods. We are hoping that Monday brings more good news about a life that has more freedoms and allows us even better adventures from the 21st June. As soon as I know the impact of any decisions on school I will be sure to let you all know - as we are raring to go on all of our exciting events that happen during summer and we would love to have you all with us! Welcome back everyone to our final term of the year, look how far we have come ☺

This week the children have returned to school in great spirits, they have been full of stories of their week off and it is brilliant to see and hear this happiness in them all. It is most certainly time to get out the summer uniform, the weather has been glorious - however classrooms and our very sunny playground can get very hot. Please ensure your child has the safest and most comfortable day with the following items: A clean summer uniform each day, sun cream applied before school (preferably the once a day kind), a labelled hat and sun glasses are useful, however most certainly your child will need a labelled filled clean water bottle each day this is absolutely essential! If your child needs a sun cream top up please provide this, again labelled as lending and loaning just isn't possible. Please show your child (age appropriate) how and where to apply their cream before they play out at lunch.

Behind the scenes at Hudson we are not only getting summer events planned but we are also preparing for a new school year for September, this term is exceptionally busy for us all. The school reports will be out at the end of the year and in years gone by this has been a time to share new teacher and class organisation information. However I've found this outshines the reports so here are the plans for you all to see and get your child ready as we head towards our transition week in July:

Nursery: Little Acorns	Reception: Maple	Early Base: Cherry	Year 1: Sycamore	Year 2: Silver birch	Mid Base: Yew	Year 3: Chestnut	Year 4: Elder	Year 5: Oak	Late Base: Beech	Year 6: Rowan
Mrs Kelly	Mrs Chapman	Miss Goodwin	Mrs Whitelaw	Miss Morrissey	Mr Taylor	Miss McCann	Miss Macpherson	Mr Roberts	Miss Birtwhistle	Miss Cavanagh

Next week is art week, stay in touch on dojo to see our masterpieces develop.

Rowan Class (Mrs McNally & Miss McCann): Thomas S

Be sure to ask your child to tell you all about the work they have displayed or discussed proudly in school this week.

Our Hudson Reading Challenge and EYFS Nursery Rhyme Certification really helps us to reward those children taking Literature seriously. This is a real challenge and we love to celebrate these achievements throughout the school year. We will be rewarding this again so plan to get started soon!

Our final award is our **Kindness cup** - and this week it goes to **Hunter Mc and Freddie K in Silver birch Class Y2**. These two wonderful citizens decided that their local park needed a clean-up at half term, and instead of taking to social media to complain they got on with it and did it themselves. I am so incredibly proud of their maturity and kindness to their community - what a dream team! Freddie and Hunter you two truly deserve this cup and I am sure all of the community members who use the park are grateful for your thoughtfulness too. Well done boys!

*You may feel small,
but so are stars from a distance*

SAFETY NOTICES

Please be aware that the parking outside of school is limited, but we need to be considerate of the neighbours and not park over driveways or on grass verges.

This can be extremely hazardous and you could be fined, it is also causing the residents great stress!

We are a community school that thrives on building respectful relationships with our community.

In the Maghull Community pages of social media the school is being badly advertised for careless community parking, please help to eradicate this.

NEWS FROM THE SCHOOL OFFICE

Free school meal vouchers - the vouchers were sent out via email/message on the last day. I have resent a few today as they have not been accessed. Please don't lose them. Any queries or if you think you may be eligible for free school meals then please give me a call.

Attendance - Please can I remind everyone how important it is to let the office know why your child is absent! Either ring and leave a message, use the app or lastly dojo. We need to know exactly why/how your child is unwell. The nature of the illness is vital, especially at this current time. Please make sure you have a read all of the guidance sent out via dojo regarding the different covid tests and when to use them.

Have a lovely weekend, take care everyone! Niki Craddock and Team

Health and Wellbeing Support for Families - Our new focus over the coming weeks:

Developing Resilience and Growth Mindset 6
Last time we focused on promoting positive mindsets,
this week it's a focus on positive praise

The Family Growth Mindset Scheme

Powerful Praise

When you praise your child in a growth mindset way, it teaches them the value of effort and encourages them to be resilient through tough times. Try these praise phrases when your child shows persistence, effort and puts in focused practice:

● "You tried really hard at that."

● "You never gave up even when it was hard."

● "You have such a positive attitude."

● "You have really improved on..."

● "What a creative solution to that problem."

● "You work very well with your sister."

● "You remembered to tidy your room."

● "I can tell you tried your best because..."

● "What a creative way to solve that problem!"
