

The 8 National Enrichment Framework Benchmarks

The DfE benchmarks guide school self-evaluation; they are not separate prescribed targets for each class or term.

1. Strategic alignment A clear vision and planned, progressive enrichment offer.	2. Broad and well-rounded offer A wide range of enriching experiences across cultural, sporting, creative, social and adventurous areas.	3. Communication and celebration Clear information for pupils, staff and families about opportunities and how to get involved.	4. Community voice Children help shape and evaluate the enrichment offer.	5. Accessibility and engagement High-quality experiences for all, including SEND, and disadvantaged pupils.	6. Partnerships Working with local and national organisations, experts and our community.	7. Outcomes Positive impact on personal development, wellbeing, attendance and aspirations.	8. Continuous improvement Regular evaluation to improve and sustain our offer.
