SCHOOL NEWS - Niki Craddock; Headteacher

As another busy and successful week draws to a close, I would like to take a moment to reflect on the many achievements and opportunities that have taken place across our school community.

This week, our Year 4 children completed their **Multiplication Tables Check**, whilst our Year 1 children undertook their **Phonics Screening Check**. We are incredibly proud of the calm, mature, and determined way in which the children approached these important assessments. They demonstrated resilience, confidence, and a real commitment to doing their very best. Thank you also to families for your support and encouragement at home.

Monday also marked the closing date for **Parent Governor nominations**, and we are pleased to confirm that we received a nomination for the position. We are incredibly grateful to those who are willing to dedicate their time and expertise to supporting our school community. The role of Parent Governor is an important one, helping to ensure that the perspectives of our families are represented as we continue to strive for the very best outcomes for all Hudson children.

Throughout the week, we have continued to be impressed by the children's excellent attitudes towards learning and their readiness to embrace every opportunity presented to them. Their behaviour, manners, and respect for one another continue to make us exceptionally proud.

Next week brings our **final assessment week of the academic year**. Across school, children will be completing end-of-year assessments which help teachers celebrate progress made and identify next steps in learning. As always, we encourage children to approach these with confidence, knowing that they simply provide an opportunity to showcase all that has been learned throughout the year.

On **Monday**, we will also be holding our **School Photograph Day**, where classes will have their annual group photographs taken alongside their class staff team. These photographs create wonderful memories of the school year and are always treasured by families. Please ensure children attend in their **full school uniform**, as **PE kits should not be worn on this day**. Monday is also the **final deadline for family members of our dance team to secure tickets for the Wally Cain event**. We would encourage families to ensure arrangements are completed before the deadline passes at 12pm.

On **Wednesday**, we look forward to celebrating the achievements of our selected Year 2 and Year 6 children at their **Children's University Graduation**. Having worked incredibly hard throughout the year to accumulate the required credits, these children will attend a special afternoon graduation ceremony at Edge Hill University. This is always a memorable occasion and a wonderful opportunity to celebrate commitment, aspiration, and achievement beyond the classroom. Also on Wednesday evening, our Finance Governors will meet to undertake the important task of **budget setting for the forthcoming academic year**, ensuring that resources continue to be used effectively to provide the very best opportunities for our children.

On **Thursday**, our Yew Class children will enjoy an educational visit to Acorn Farm, where they will have the opportunity to learn through hands-on experiences and explore the natural environment. Later that evening, our Head Boy and Head Girl will proudly represent our school at the Youth Council meeting hosted by Deyes High School, sharing pupil voice and engaging with young leaders from across the local area.

Finally, on **Friday**, we will come together for one of the highlights of the school calendar - **Sports Day**. Children from across the school will take part in a variety of sporting activities and team challenges throughout the day. With warm weather forecast, please ensure children arrive prepared with sun cream applied, a sun hat, and a water bottle. Children are encouraged to wear their **team colours** and help create a fantastic atmosphere of teamwork, determination, and school spirit. We look forward to another exciting week of learning, achievement, and celebration as we continue our journey towards the end of another wonderful school year.

Kindness cup - This week's kindness cup goes to a lovely lady in **Elder Class** who has a heart of gold. **Charlotte S** has become deeply passionate about the oceans, seas, and the impact that humans are having on our planet. Inspired by her interests, she has taken it upon herself to make a real difference and create positive change within her community.

What began as a local litter pick and creating awareness posters has grown into something even bigger. Charlotte has now joined a local community group, **The Maghull Wombles**, helping to keep our local area clean and safe for wildlife. Through her dedication and commitment, she is encouraging others to take pride in their environment and protect the world around them.

Charlotte's kindness, determination, and community spirit make her a very deserving recipient of this week's Kindness Cup. Well done, Charlotte! 🌟

We rise by lifting others
