SCHOOL NEWS - Niki Craddock; Headteacher

As another wonderful week draws to a close, it is once again a pleasure to reflect on the many achievements, experiences, and opportunities that our children have enjoyed.

On Monday, the school was filled with smiles as we welcomed our photographer to capture this year's class photographs. Each class had the opportunity to be photographed alongside their teaching team, creating a special snapshot of the school year. These photographs can be viewed online with the card that was sent home on Monday, providing families with the opportunity to purchase a lasting memory of what has been another fantastic year at Hudson.

A particular highlight of the week came on Wednesday afternoon when over thirty of our Year 2 and Year 6 children graduated as part of the Children's University programme at Edge Hill University. It was an incredibly proud moment to see our children dressed in graduation gowns and recognised for their resilience, commitment, and dedication to enrichment opportunities both in and out of school. Their achievements are a testament to their enthusiasm for learning and the support they receive from their families. It was a truly memorable occasion and one that all involved will cherish for years to come.

The excitement continues next week as we launch our annual **Sports and Health Week**. Throughout the week, children will be taking part in a variety of sporting, health, and wellbeing activities designed to promote healthy lifestyles, teamwork, and enjoyment. Please ensure that children bring a clean PE kit each day and are prepared for the weather conditions with appropriate clothing, sun cream, hats, and water bottles where necessary. On Monday, our talented Dance Team will travel to the Atkinson for their Wally Cain rehearsal. This is always an exciting milestone as preparations continue for one of the most anticipated performance events of the year.

Tuesday brings a fantastic opportunity for our Year 6 children, who will take part in a special **Mini Medics** training experience. The programme provides children with valuable first aid knowledge and practical skills, helping them to develop confidence and an understanding of how they can help others in an emergency. On Wednesday, our Year 4 children will represent the school at the MADCOS Rounders Tournament, accompanied by Coach Callum. We wish the team every success and know they will represent Hudson with determination, teamwork, and excellent sportsmanship.

Wednesday evening then sees the return of one of the highlights of our school calendar - **Hudson's Got Talent!** Families who have secured tickets are in for a fantastic evening of entertainment as our children take to the stage to showcase their talents. Whether singing, dancing, performing, or sharing unique skills, our hall will undoubtedly be brimming with excitement, encouragement, and celebration.

On Friday, we will hold a **Non-Uniform Day** in support of our Summer Fundraiser. Rather than a monetary donation, we kindly ask families to donate a sweet treat which can be used at our upcoming summer event. Your generosity is always greatly appreciated and helps make our community events such a success.

Finally, we will be wishing our Dance Team the very best of luck as they take to the stage in Southport to perform as part of the prestigious **Sefton Dance Festival - Wally Cain**. We are incredibly proud of the dedication they have shown throughout their rehearsals and know they will do themselves, their families, and our school proud. Whatever your plans this weekend, we hope you find time to relax, enjoy the sunshine, and spend quality time with those who matter most. As we celebrate Father's Day this weekend, we also encourage our children and families to take a moment to appreciate the special men in their lives and the positive impact they make every day. Have a wonderful weekend.
